ADMINISTRATION

Junior Baseball Organization, Inc. (JBO) has as its general administrators a JBO President, Vice President, Secretary, Treasurer, At-Large board positions and a District Commissioner from each district, with the exception of Clackamas County, which shall

have two.

It will be the responsibility of each District Commissioner to act as liaison between the Junior Baseball Organization, Inc. and their respective district. **Each commissioner will have the responsibility to verify that their district is in compliance with the JBO Rules. Any request for variances from JBO Rules at the district level must be approved by a majority vote of the JBO Board.**

All questions and/or problems must be directed to the area president, who will bring the situation to the District Commissioner for a ruling if needed. The District Commissioners have final authority to rule on points not covered in this rulebook.

HISTORY

Junior Baseball Organization, Inc (JBO) got its start about 1948 when Frank Bashor got together a six-team league of 11-12 year olds from the Metropolitan area. In 1951, the program became known as the Baseball Association of Oregon and continued to grow in the Portland fringe areas. By the late 50's the essence of Junior Baseball of Oregon was developed by Frank Bashor. This early program revolved around today's Federal level and expanded to include ages 9 through 16 year olds.

After Frank Bashor's death, Dean Gray, who worked for Frank, continued the program. In 1965, the Cub's program was merged with the Oregon Junior Baseball Association, a more statewide organization extending from Medford to Portland. By the late 60's the Midget, Junior and Senior programs had grown to 350 teams in four districts (Tri-County, mainly the eastern Multnomah county region; Clackamas county; Washington County; and West Hills). Throughout the '70's and '80's the program continued to expand and included areas outside the Metro area (LaGrande, Tillamook and Corvallis).

In 1975, Junior Baseball of Oregon formalized as we know it today, with the publication of the first "Baseball Association of Oregon Handbook". In 1977 the name officially became "Junior Baseball Association of Oregon". In 1987 the first State Tournaments were held for the American and National levels. Also, in 1987 the Cub's program was revived to provide more opportunities for 15 and 16 year olds to continue playing organized baseball. In 1998 the name was shortened to "Junior Baseball of Oregon". By 1999 Junior Baseball had grown to 484 teams from Roseburg to Portland and Tillamook to Bend. The State Tournaments at the National and American levels were expanded to twelve teams.

Today Junior Baseball Organization, Inc. continues Frank Bashor's intention to provide a framework for youth to develop and refine their basic baseball skills within a team oriented environment, the program stresses continuity in age grouping for boys and girls ages 9 through 16, continuity in progression of age development and playing distances, competition at equal levels of ability and emphasis on the complete game of baseball (leading off, stealing, etc.). The program revolves around local associations creating a local program for local needs within the framework of a baseball program. And best of all, when it comes to playoff time, a team goes as a unit, without the heartbreaking and sometimes unjust all-star selection process.

This tradition is continued today through JBO's name change to Junior Baseball Organization and Junior Baseball's expansion to areas outside the State of Oregon to further bring the JBO program to youth ages 9 through 16.

LIABILITY FOR INJURIES

All teams must carry accident and liability insurance. A copy of the insurance policy or certificate of insurance must be attached to the association's "Application for Participation Form" when submitted to the JBO Secretary. Associations not represented by a youth agency (where insurance is provided by the agency) must provide a policy, which lists as an "Additional Insured", "Junior Baseball Organization, Inc.", and the local association's name, i.e., "Putnam Junior Baseball of Oregon".

Cities, Park and Recreation Commissions, School Districts, Junior Baseball Organization, Inc., JBO board members, and team sponsors or their agents, representatives or employees will not be liable for injury to a player that occurs in District or JBO Tournament Play.

DEFINITION OF TERMS

Throughout this book certain terms will be used. Those terms are defined as follows:

- A. **Association(s)** - Are local areas having an administrative body and whose boundaries have been defined and approved at the District level. Association boundaries/definition will be filed with the JBO.
- B. **District(s)** - Districts will be made up of various Associations as defined by the JBO Board. The District boundaries will be its Association boundaries.
- C. **Commissioner(s)** - Individual(s) who are approved by the local Associations to represent the District on the JBO Board.
- D. **Officers** – Officers are elected members on the JBO Board. Officers may consist of a President, Vice President, Secretary, Treasurer and At-Large members.
- E. **The JBO Board** - Officers and District Commissioners will form the JBO Board.
- F. **Junior Baseball Organization, Inc.** - The "program" as outlined in this book.
- G. **Team** - A team will consist of a minimum of 12 players of similar strength and ability.
- H. **Division** - A level of play based on age and skill level. The Divisions will be known as Midgets, Juniors, Seniors and Cubs.
- I. **Skill Levels** - Within each division there will be three skill levels known as Federal, American and National, in descending order of skill.
- J. **League** - Associations will form teams based on skill level and rulebook requirements. These teams will play in a league defined by the District. A league will consist of a minimum of four (4) teams, playing a minimum of an eight (8) game league schedule.
- K. **Season** - A period of time from the first league game until the end of the JBO Tournament.
- L. **Five Run Rule** – Each team is limited to only 5 runs per inning with the final inning open. This rule only applies when specified and there are no exceptions to the rule.
- M. **Pitching Regulations** – Please note, as this applies to both starting and relieving pitchers, that a pitcher is official and must pitch to one batter by rule if he/she addresses the pitching rubber and delivers a "warm-up" pitch(es) prior to the call to play by the umpire.
- N. **Innings Pitched** – The sentence "one pitch constitutes an inning" is used to eliminate any confusion regarding the recording of thirds of an inning for pitching regulations. A pitcher is official if they step on the rubber with the ball during warm-ups, or have been entered in the book (Home or Official) or been given as a substitute to the umpire. Innings pitched during forfeited games count toward that pitchers inning count for determining eligibility.

RULES AND REGULATIONS

Junior Baseball Organization, Inc. will be governed by the HIGH SCHOOL FEDERATION RULE BOOK as amended by the OSAA, except as otherwise indicated in this handbook. These rules will be in effect for League, District and JBO Tournament games unless otherwise specified.

I. Team Eligibility

- A. Any Association intending to participate in the Junior Baseball program must submit a completed "Application for Participation" to the JBO Secretary no later than the first JBO Board meeting in March of each calendar year. Applications received after this date must be accompanied by a \$200 fee payable to Junior Baseball Organization, Inc.
- B. Minimum number of players on each team roster must be twelve (12). In addition, teams entering JBO Tournament play must bring a roster with 12 eligible players or provide the appropriate "Player/Team Waiver Form" (see Section I and V for additional information). All Federal teams will have a legal 12-player roster. There will be no waivers for less than a 12-player roster given at the Federal level of play.
- C. If an association chooses to field a Federal team it must consist of a minimum of 50% of eligible players from within their association boundaries.

The Commissioner will then submit those rosters to the JBO Vice President no later than the first JBO Board meeting in June.
- E. Additions to team rosters after their first league game will only be allowed prior to completing fifty percent (50%) of the team's League games. Players may not move between team rosters without a waiver of the District Commissioner on the appropriate "Player/Team Waiver Form" (see Section I and V for additional information). All players are still subject to the "player eligibility" requirements in order to participate in the JBO Tournament (see Section V.G. for additional information). Players added after fifty percent (50%) of the team's league games will require a waiver of the District Commissioner on the appropriate "Player/Team Waiver Form". Player will be considered an eligible player for the remainder of the season; however, the team is no longer eligible for any post-season play. Not subject to Appeal. A revised Team Roster with any appropriate waivers must be submitted to the JBO Vice President before additions are eligible to participate.
- F. The entry fee will be \$25 per team and must be submitted to the District Commissioner by June 1st of each calendar year.
- G. The penalty for a team's failure to meet the above registration requirements shall be forfeiture of all games won prior to the time of filing.
- H. In a private enrollment High School, a child may play for a team from that school upon parental written intent that it is the High School they will attend. The written intent (letter) must accompany the team roster.

II. Player Eligibility

- A. A youth may not play on more than one team in Junior Baseball in any one year unless his family moves and becomes bonafide residents of another Association.
- B. A waiver is required for a player who elects to play in another Association other than the one in which they reside.
- C. Approval of the player waiver must be obtained from the Association the player resides in, the requesting Association and the District Commissioner. If the waiver request is denied, an appeal can be filed with the JBO Vice President "in writing" for a ruling. A fee of \$25 must accompany the request. If the request is granted the fee will be returned.

- D. If a player is found to be playing outside of the Association in which she/he resides and a completed waiver form is not on file with the team roster, the player will be declared ineligible and all games in which she/he has played in will be forfeited. The player will be eligible as soon as the waiver form is signed by both Associations, District Commissioner and is on file with the team roster.
- E. Any player not residing within the boundaries of a current Junior Baseball association must play in the Association closest to their residence, unless waived by that Association.
- F. If an Association does not field a Federal team, players in that Association may play in the Association closest to their residence and within the player's district of residence at the Federal level without a waiver providing that team still consists of a minimum of 50% of eligible players from within their association boundaries.
- G. If a team has won a game using an ineligible player, the game is to be forfeited to the opposing team except that illegal substitution shall not be grounds for forfeiture.
- H. When players are being "benched" for disciplinary reasons, the opposing coach and the umpire must be notified prior to the start of the game.
- I. Any player on a team roster must have played in at least fifty percent (50%) of the team's League games in order to participate in the JBO Tournament. Submit excuses to the appropriate District Commissioner to have approved by the JBO Board at the JBO Tournament Meeting.
Exception: Illness or injury excused in writing by the player's doctor. Submit to and approved by the appropriate District Commissioner on the appropriate "Player/Team Waiver Form".
- J. Unsportsmanlike Conduct
 - a). If a player/coach is ejected by an official for unsportsmanlike conduct the incident must be reported to the District Commissioner prior to the player's/coach's next contest.
 - b). Ejected coaches must leave the contest immediately and shall not be allowed further contact with team members for the duration of the contest. Ejected players must remain on the bench for the duration of that contest.
 - c). It is the responsibility of the Association to ensure the District Commissioner is notified and ejected player/coach is disallowed from participating in the next contest. Players must attend the contest to serve the penalty. If the player does not attend the next applicable contest, the suspension will continue to apply until the player has attended, and been benched for the entire contest. Should an ejected player/coach participate at the next scheduled contest, that action shall be considered use of an ineligible participant and result in forfeiture of that contest. A second ejection for an unsportsmanlike act will result in a two (2) game suspension. A third ejection for an unsportsmanlike act will result in disqualification from further participation in Junior Baseball Organization, Inc.
 - d). Physical contact between a player/coach and an official is a gross act of unsportsmanlike conduct. The offending player/coach is immediately ejected and is suspended for a minimum of two (2) contests. Both associations shall notify the District Commissioner and JBO Board within 48 hours of the end of the contest.
 - e). A player or coach who has been ejected because of unsportsmanlike conduct may be subject to further disciplinary action by the Association, Commissioner and/or JBO Board.

- f). Any coach who is ejected from two (2) games at any point during a season will be ineligible to participate in the District, Pre-Tournament or JBO Tournament games. This includes, but is not limited to pre-season; league: tournament: and non-JBO sanctioned games, or any other game not listed herein. If the Association of the ejected player/coach agrees that an ejection is unjustified, the Association may appeal in writing to the District Commissioner within 48 hours (2 days) of the end of the contest to have the ejection removed from the player's/coach's record for determining eligibility to participate in the JBO Tournament only.
- g). The player/coach must always serve the suspension required.

III. Waiver Policy

- A. There are occasions when a waiver will be required to meet standards as set forth in this rulebook. Waivers may require District Commissioner approval, JBO Board approval, or both. You may obtain a Player/Team Waiver Form by contacting your District Commissioner.
- B. The player/team waiver form must be completed and approved by the appropriate individual(s) for the following:
 - a) Medical release,
 - b) Team roster, not meeting the rulebook requirements,
 - c) Player moves between teams,
 - d) Any other condition where the player or team does not comply with the rules as set forth in this rulebook.
- C. The Player Waiver Form will be in effect for the current baseball season only.
- D. Teams are allowed a maximum of 3 waived players on their roster.
- E. All waiver forms must be attached to the team's roster when submitted to the JBO Vice President.

IV. Field Decorum and Conditions

- A. Player's benches are reserved for players, coaches and scorekeeper and it is the duty of the officials to enforce this rule.
- B. No player, coach, fan or parent shall delay a game by unnecessary bickering or use of abusive and/or profane language.
- C. No use of tobacco products, alcohol or drugs will be tolerated by any coach, player, fan, parent or umpire during games on the field.
- D. The home team has the responsibility to maintain the field in a safe playing condition. The umpire is to declare the field safe for play after inspection of potential hazards including but not limited to the following: Home plate level with playing surface, bases tied down, absence of holes on the playing surface, absence of debris and large rocks on the field, and adequate lighting. If an umpire declares a field unsafe for play for other than weather related circumstances, the game will be rescheduled by the visiting team on a date at their discretion when that field or an alternative neutral field will be available. If the home team cannot play on the date and at the time selected, then the visiting team may appeal to the District to establish a date on which the game can be played before the last League game.
- E. The head coach is responsible for the conduct of his/her players, assistant coaches, parents and fans at all times.

V. Leagues

- A. Leagues are to be made up of teams of somewhat equal strength and ability. The teams divisions will be known as Federal, American and National in descending order of skill. The District Commissioners have the authority to reclassify any team determined to be in an incorrect skill level by no later than the midpoint of the team's league original schedule.

- B. If a team is moved from one skill level to another, their eligibility for District or JBO Tournament play will be determined by the win/loss percentage from the time they were moved, to the last game of the league schedule.
- C. To determine a team's skill level of play in a League, each Association will hold a skill evaluation prior to forming teams. Based on the evaluation, a youth will be placed on a team with players of similar skill and age.
- D. For the purposes of determining Team requirements, use of the following matrix for the appropriate Division (Districts are responsible for all matrix waivers):

a) **Midget Division:**

Number of Teams	Federal	American	National
1			1
2		1	1
3		1	2
4		2	2

6	1	2	3
7	1	2	4
8	1	3	4
9	1	3	5
10	2	3	5

b) **Junior and Senior Divisions:**

Number of Teams	Federal	American	National
1			1
2		1	1
3		1	2
4	1	1	2
5	1	1	3
6	1	2	3
7	1	2	4
8	2	2	4
9	2	2	5
10	2	3	5

- E. The District Commissioner may waive a team up a level or down a level at any point prior to completing fifty percent (50%) of the team's league games. At that time, if it's the decision of the District Commissioner to move the team, the District may do so without JBO Board approval provided the team does not have a winning percentage at or above 500.

VI. Length of Season

- A. District Tournaments and/or League play will be completed prior to the JBO Tournament playoff games.
- B. The Junior Baseball Organization, Inc. JBO Tournaments will be held no later than the first full week in August.

VII. Game Playing Regulations

- A. All games are to be played on dates and times as specified in the league schedules, unless a mutually agreed upon change is made 24 hours prior to the scheduled time and date. Teams will be allowed 15 minutes to field a team of nine players prior to the declaration of a forfeit.
- B. The home team is required to furnish two new, good quality leather baseballs for each game.
- C. Each team is permitted 15 minutes infield prior to the start of the game, as long as it can start on time.
- D. Junior Baseball Organization, Inc. has adopted the ten (10) run rule for all leagues, with the exception of the JBO Tournament championship games. The ten (10) run rule provides that a game will end after five (5) innings for Cubs and Seniors, four (4) innings for Juniors and Midgets, or any inning thereafter, when a team is ten or more runs behind and has completed its turn at bat. Games called as a result of this rule DOES NOT waive the six (6) defensive out rule.
- E. Each team will bat its entire roster.
- F. There shall be free defensive substitution, including pitchers. Each player must play a minimum of six (6) defensive outs. If a player arrives late and is unable to complete his/her defensive outs, they must be inserted immediately and play until the game is completed or they have played their required six (6) defensive outs, should the game go into extra innings.
- G. A player arriving after the game has started will be inserted at the end of the batting lineup.
- H. If a player is injured, is removed from the game and misses a turn at bat, she/he cannot return to the lineup in that game. The injured player's name will be removed from the batting order and the field. All other players continue to bat in the same order.
- I. If a player is injured while running the bases, she/he must be replaced by the player furthest from batting that is not on base. This substitute runner returns to their place in the batting order ceasing the pinch running duties. The injured player is removed from the lineup.
- J. The only time a player removed from the lineup becomes an out each time up, is if the removal leaves the team with eight players. If the lineup drops below eight, then the game will be a forfeit.
- K. Uniform shirts will be numbered, with no two alike.
- L. NOCSAE batting helmets are to be worn by all batters and runners in all leagues. All catchers must wear catcher's head and face protection, throat protector and protector cup during warm-ups and during games in all leagues.
- M. The High School rule requiring an 18 inch circle on the bat is waived.
- N. Any High School restriction on weight-to-length-of-bat and maximum bat diameter will be disregarded.
- O. The winning coaches will notify the appropriate league official of the game scores and pitcher innings within ninety-six (96) hours (four days) of the game times. How this information is reported will be left up to the District. Failure to report will result in no contest for the winning team. The losing team will still show the loss.
- P. All rainouts or cancellations must be rescheduled within 7 days. The home team must offer three possible dates and the visiting team must accept one or forfeit the game.
- Q. All games ending in a tie will be recorded as a half game won and half game loss for both teams.

- R. Umpire certification for league play, uniforms and pay scales will be determined by the district.
- S. Cross-District League play will count in League standings.
- T. The speed-up rule in the high school rulebook is waived. There will not be a speed-up rule in JBO.
- U. Designated pinch hitter rule will not be allowed in any Division or League.
- V. Three (3) defensive charged conferences per regular game. An additional charged conference per extra inning will be allowed. There is a limit of one offensive charged conference per inning.
- W. For the purposes of time limit, a new inning starts once the third out is made at the end of the previous inning.
- X. The High School rule regarding remaining in their on deck circle is waived. Coaches may direct individual players or their entire team to use whichever on deck circle they believe is safest.
- Y. Base Running Appeal: For failure to touch a base (advancing or returning), or failure to tag up as the ball is touched on a caught fly ball, the runner is out. This is a delayed penalty if not played upon by the defense during the same playing action (live ball). After all playing action has ended; the umpire will indicate time-out to call the runner(s) out. During playing action, the runner is out if, before returning to each untouched base, the runner is touched by the ball in the hand of a fielder, or the ball is held by a fielder on that missed base (including home plate). In this instance, the out would be called immediately before time is called.

Over the past few years Junior Baseball Organization, Inc. has been making a concentrated effort to obtain and document the history of JBO. Through the process, we have been trying to document all aspects of Junior Baseball. However, we still need some assistance. We would like any written documentation on Junior Baseball of Oregon, including but not limited to rulebooks, JBO tournament programs, etc. specifically we need the 1977, 1979 and 1980 handbooks as well as JBO tournament winners from 1951 to 1963, plus any other information from 1951 to 1975.

The following information has been comprised from these efforts and is being provided as a way of saying thank you to the many volunteers over the years that helped make Junior Baseball Organization, Inc. into the organization it is today.

Mission Statement

Junior Baseball Organization, Inc., is a non-profit corporation that exists to provide young boys and girls an opportunity to participate in an organized baseball experience. It is the goal of Junior Baseball to provide each child, regardless of skill level, an opportunity to compete in baseball against other players of equal skill and age.

Motto

Let us not forget that the true value of the program is not in winning games, but in keeping as many youths as possible engaged in a clean wholesome activity. There are many valuable lessons to be learned in a program such as this...far beyond the scope of baseball.

(Now let's all try to learn together!)
